

2018-19 & 2019-20

***4.4.2. There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.***

Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities within maximum of 200 words

The Laboratories of different departments are maintained by the respective Heads of the Departments in consultation with the Departmental Staff Council and College Council for any inter departmental utilization of the laboratory facilities.

The 'Library Advisory Committee' is a monitoring body, which provides valuable advice to the library administration to ensure quality of services to the user community, and considers the development proposals, budget allocations, policies, user services and expansion of library activities. The committee also provides directions for a growth and development of the library including improved facilities and innovative services and practices. The Library Advisory Committee makes sincere efforts to mobilize resources from the funding agencies, donors and philanthropists.

A fully furnished Auditorium, *Bhuvanavijayam*, with 1000 seating capacity was established for organizing mega academic events. The University has very good sports and games infrastructure facilities to promote and organize various physical and mental fitness programmes, sports and games events, coaching camps, tournaments, etc. The university is also having infrastructure facility to conduct courses in Yoga, Marshal Arts and other Co-curricular Activities.

All the IT services are monitored by a committee consisting of senior professors from Computer Science Department, Electronics and Instrumentation Departments apart from other members. The committee periodically reviews the availability of IT resources covering Internet connectivity, campus automation, maintenance of system hardware etc., offers suggestions to improve the computing and networking capabilities.
